Handcrafted
products

Nordic
inspired design

Handmade, unique and exclusive stone lamps

Danish design lamps and candleholders for table and floor.

HH LUX has a great passion in the use of natural stone to create unique and elegant design. The products are beautifully designed for the modern interior to Hotels, offices and homes

We are inspired by the beautiful scenery and like to tell the gorgeous story of HH LUX gives each product a unique design because they are made of stone and there are no stones that are the same. The design is Nordic inspired and new designs constantly being made in shape and colors in a unique but classic look.

If you have a project, whether it is a simple lamp or a larger number, we are always interested to hear from you.

Each lamp is handmade in our own workshop in Hobro, Himmerland, and each stone is carefully selected for each lamp. HH LUX is owned and operated by Helle Haslund Hollen and Visti Hollen

We hope you find our lamps and candleholders exciting and get inspiration to draw nature into the home in a new and exciting way.
